**Re: Perkins Mountain Utility Company, Docket No. SW-20379A-05-0489**  
**Perkins Mountain Water Company, Docket No. W-20380A-05-0490**

Dear Colleagues and Parties to the Docket:

In a letter filed in this docket yesterday, Commissioner Spitzer expressed his desire that the Commission hold public comment sessions in this case in Kingman, Lake Havasu City and Golden Valley. I concur and ask that Administrative Law Judge Bjelland provide for such public comment sessions in her upcoming Procedural Order.

The importance of this matter to the residents of Mohave County and the state of Arizona cannot be overestimated. The residents of these communities deserve an opportunity to express their views on the planned developments and the water and wastewater companies that have been proposed to serve them.

Thank you for your attention to this matter.

Sincerely,

Kris Mayes  
Commissioner
